OFFICE CUSHION

SKWOOSH™ Office Gel Cushion

SKWOOSH is perfect wherever prolonged sitting can trigger back and leg discomfort. It delivers more pressure relief and comfort than any gel cushion available. The exclusive SKWOOSH™ non-skid bottom anchors the gel cushion to your seat so it never moves, even when you twist from side to side to answer a phone, reach for a file or switch work surfaces. Patented TekPad® gel technology reduces pressure on your spine and provides pressure relief where you need it - under your weight bearing "sitz" bones. The SKWOOSH™ Office Gel Cushion fits all office chairs from executive size and shape to working steno models.

BENEFITS
